

## **P2352 REPORTING OF SPECIFIED STUDENTS**

### **BOARD POLICY:**

**School employees with information that a student is a student to whom this Policy applies as specified below shall inform the superintendent or the superintendent's designee. The superintendent, or the superintendent's designee, shall investigate the matter, and, upon determining that the student is one to whom this Policy applies, shall provide the reported information and identify the student to all other school employees who are directly involved or likely to be directly involved in teaching or providing other school related services to the student.**

#### **Administrative Implementation Procedures**

1. This Policy applies to the following students:
  - a) Students who have been expelled as provided by subsection (c) of K.S.A. 72-6114(c) and amendments thereto, for conduct which endangers the safety of others;
  - b) Students who have been expelled as provided by subsection (d) of K.S.A. 72-6114(d) and amendments thereto;
  - c) Students who have been expelled for possession of a weapon;
  - d) Students adjudged to be a juvenile offender whose offense, if committed by an adult, would constitute a felony under the laws of Kansas or the state in which the offense was committed, unless the offense was a felony theft involving no direct threat to human life; and
  - e) Students who have been tried and convicted as an adult of any felony, unless the conviction was for a felony theft crime involving no direct threat to human life.
2. The superintendent, or superintendent's designee, shall document that school employees have been informed.
3. A school employee shall not be required to report information concerning a student specified in this Policy if the expulsion, adjudication as a juvenile offender or conviction of a felony occurred more than 365 days prior to the school employee's report to the superintendent or superintendent's designee.
