### Habit 4: Think Win-Win

Think Win-Win is the belief that everyone can win. It's not me or you—it is both of us. It is a belief that there are enough good things for everyone; it is an abundant way of thinking. Think Win-Win is being happy for others when good things happen to them. As a parent, not everything is

## Having an Abundance Mindset

An "Abundance mindset" is having the ability to be happy for others when they experience success. It requires a strong desire to see others succeed as well as feeling confident in yourself and what you have. Being genuinely happy for others for the good things in their lives is a crucial piece of "Thinking Win Win"

## Problem Solving

A key piece of practicing Habit Four in our daily lives is being able to solve problems and compromise. It means thinking of solutions to problems that allow both parties involved to have an outcome where they get what they want in order to "win". This can be very difficult, and it often requires us to think of solutions outside of the box. It can also require us to sacrifice certain things we want in order to help someone else "win" too.

### RELATIONSHIP BANK ACCOUNT from Covey

DEPOSITS	WITHDRAWALS
Keep Promises	Break Promises
Do Small Acts of Kindness	Keep to yourself
Be Loyal	Gossip and break confidences
Listen	Talk too much
Say You're Sorry	Be Arrogant
Set Clear Expectations	Set False Expectations

### Emotional Bank Accounts

A great way to practice Habit Four is to imagine our relationships as a bank account. Each time you do or say something that shows another person that you care for them, it is like making a "deposit" into their Emotional Bank Account. Likewise, when we do or say things that damage the relationship, it is similar to making a withdrawal from their Emotional Bank Account. What is a relationship in your life that could benefit from a "deposit" in the near future?

"There will always be more"	"There will never be enough"
Collaborates to stay on top	Competes to stay on top
Embraces change	Fears change
Shares knowledge freely	Won't share knowledge
Generous with others	Won't offer help
Believes the pie is getting bigger	Believes the pie is shrinking
Thinks big and embraces risk	Thinks small and avoids risk

# ARRIVAL & DISMISSAL PROCEDURES

## The Parent Pick-up Lane

If you are picking up your student, please remain in your car and follow the pick-up lane (see map) to ensure a safe and quick arrival and departure. Staff will be out front to help escort your child to your vehicle when you approach one of the stations. Please listen to staff and follow their directives.

**THERE IS NO PARKING ALONG OSAGE OR ALONG 29TH STREET. IF YOU PARK HERE YOU MAY BE ASKED TO MOVE YOUR VEHICLE.**

Please refrain from parking in our neighbor's parking lots or driveways out of respect for those that live there.

### Student Walkers

Crossing guards will be at the corners of Osage and 29<sup>th</sup> before the dismissal bell to assist with crossing the intersection safely. If you are picking up and walking with your student, please attempt to use the crosswalks that the city has in place in order to keep our parent pick-up lane moving and to ensure your child learns safe ways of crossing the street. You may pick up your child at the front of the building and a staff member will release them to you.

### Bike Riders

If your student is riding to and from school, we do have a bike rack available for students to secure their bike with. The school is not responsible for lost and/or stolen property.

### EARLY DISMISSAL

Students will be released to only Emergency Contacts who are listed on ParentVue. We encourage parents to attempt to make appointments on days school is not in session or before or after school when possible. The parent must check out the child through the office. The student will be called by office personnel to the office to meet their parent.
