AND THIS IS

ALL ABOUT ME

I am excited to start my 10th year teaching 2nd grade at Price Harris. I enjoy teaching 2nd grade because students are discovering their independence, they are creative and have a love for learning.

MY FAVORITE PEOPLE

Family...

- A little bit crazy, a little bit loud, a whole lot of love!

In addition to teaching, I always have time for family. My hobbies include cooking delicious Italian dinners and binging shows on Apple-TV, Netflix and Hulu. Nothing beats a live performance. I enjoy spending time at musicals, plays and concerts.
