Fashion, Apparel, Interior Design

ABOUT THE PATHWAY

Fashion, apparel and interior designers combine the principles and elements of design, production processes and maintenance techniques with the needs of humans. The use of space, color, texture and styling combined with an individual's unique creativity are used to build a foundation for careers in the interior and textile fields.

Follow the Fashion, Apparel, Interior Design pathway to explore these exciting careers:

- Interior Designer
- Fashion Illustrator
- Textile Designer
- Fashion Designer
- Set/Exhibit Designer
- Visual Merchandiser
- Stylist
