## Wichita Public School Age Program Behavior Guidance and Discipline Policy

### Expectations

- ✓ Each SAP child is held responsible for their personal actions. The right to participate in the SAP carries with it the obligation to maintain acceptable behavior.
- ✓ Acting in a defiant manner or any show of disrespect by word and/or action towards any staff member will not be permitted.
- ✓ Profanity and vulgarity are not permitted.
- ✓ A pupil who steals or maliciously destroys or defaces property will be expected to make restitution as part of the consequences or be removed from the SAP program.
- ✓ Parents should be involved in assisting the SAP staff to ensure a meaningful and positive solution to their child's behavior actions.
- ✓ Profanity from parents directed at SAP staff is reason for dismissal from the program.

### Staff will use positive behavior management

- Review the expected behavior of the child for the selected activity in a positive statement.
- Provide choices – would you rather play with this or this? State specifically the behavior expected from the child.
- An age appropriate think time, away from others will be given as needed. The child remains in think time only long enough to regain self-control. Staff will use the CHAMPS/Second Step as needed to help students regain control.
- Think time and re-think sheets are completed in a designated area under visual staff supervision.

### Think Time and Re-Think Sheets

1. Behavior infractions result in think time as the first step.
2. Re-think sheets are completed as the second step. Re-think sheets are signed by the parent and kept in the student's folder.

### Behavior Report

1. A SAP behavior report is completed after three rethink sheets.
2. Two SAP behavior reports for violation other than zero tolerance will result in a two day suspension from the SAP.
3. Three behavior reports for violation other than zero tolerance will result in termination from the SAP.

### Zero Tolerance Behaviors Include but are not limited to:

*Hitting, bullying, sexual harassment/gestures, extreme disrespect by word/action*

1. First Zero tolerance violation will automatically receive a behavior report and receive a two day suspension from the SAP or possible termination from the SAP depending on the severity of the incident.
2. Second Zero tolerance violation will receive a behavior report and result in termination from the SAP.

Bringing a weapon is automatic termination from the SAP and possible expulsion from school.

- ❖ *Parents are informed of their child's behavior by the latchkey director or assistant director.*
- ❖ *Suspension days are charged but an absent credit can be used upon request from parent.*
- ❖ *Termination from the SAP is for the remainder of the school year and possibly the following year.*

SAP may permanently remove any child whose behavior creates a significant risk of harm to the health or safety of other children or staff without following the guidance steps outlined above.
