

ParentVUE & StudentVUE

The district gradebook is up and running. On the next page there is an explanation of the Student Information System and how to setup your ParentVUE account. ParentVUE accounts are needed for enrollment and for checking your student's grades. Please contact Heights office 973-1407 for information about your account.

All students have a StudentVUE account. It is necessary for enrollment. In addition, it is important for students to have their own login and not use a parent's login as this is a way for teachers to communicate with their classrooms and for students to keep up with their grades and look for missing assignments.

Students should contact their English teacher if they are having issues.

The screenshot shows the ParentVUE portal interface. At the top, there are navigation tabs for 'Home', 'Streams', and 'My Account', along with 'Help' and 'Close' buttons. Below this is a 'Selected Child' dropdown menu with options for 'Billy', 'Ian', 'Lois', and 'Theresa'. The main content area is titled 'Recent Events' and lists events for each child, including attendance notes, report periods, and school events. A 'District Announcements' box on the right shows 'None'. The left sidebar contains a list of menu items: Calendar, Attendance, Class Schedule, Conference, Course History, Course Request, Discipline, Fee, Grade Book, Health, Report Card, School Information, Student Info, and Custom Tab.

1. In ParentVUE, children linked to a parent and attending this district, have their first names listed at the top of the screen. Click the child's name to view his or her information.
