# Quick Tips for Using Course Planner

- In Xello, click on Course Planner
- Click on Add Elective
- Use search bar to find class and click add

This is a work in progress so don't be afraid to select classes now that you are interested in. You are not actually signing up for the class! That will happen in the Spring!

The screenshot displays the Xello Course Planner interface. At the top, navigation icons for 'Get Me', 'Explore', and 'Plans' are visible. A purple arrow points to the 'Course Planner' link in the 'Quick links' sidebar. Another purple arrow points to the 'Add Elective 11' button in the 'GRADE 11' section, which shows '0 Credits' and '7 Credits remaining'. Below this, a table of 'Available period' slots is shown for both Grade 11 and Grade 12. A third purple arrow points to the search bar at the top of the course list, which contains the text 'Introduction to Law, Public Safety & Corrections'. Below the search bar, a table lists courses with columns for '[ CODE ]', 'NAME', 'GRADE', 'CREDIT', and 'STATUS'. The first course listed is 'Introduction to Law, Public Safety & Corrections' with code '[ 7656 ]', grade '9, 10, 11, 12', and credit '0.5'. A description of the course is provided. A purple arrow points to the 'Add' button in the top right corner of the course list. Below the course list, a table shows 'PREREQUISITE', 'SELECTED', and 'FUTURE' status for the course.

[ CODE ]	NAME	GRADE	CREDIT	STATUS
