Press Release: Arashae Harris and Avree Marshall selected as Wichita High School East Head Spirit Squad Coaches

May 29, 2020

Arashae Harris and Avree Marshall have been selected as Head Coaches for the Spirit Squad at Wichita High School East for the 2020-2021 school year. Our Spirit Squad combines cheerleading, yell leading, dancing and our mascot as one unified team.

Coach Harris was born and raised in Emporia, KS where she went to Emporia High School as a Spartan. While in High School, Arashae was a part of the Varsity Cheer, Dance, Gymnastics, and Swim teams. After graduating from Emporia High she went to continue her education at Barton Community College where she was a part of the Cougar dance team. After graduating from Barton with her Associates in Liberal Studies she moved to Wichita. During her time here in Wichita she was a part of the Wichita State Dance Team for two years as well as being a staff member of National Dance Alliance, while continuing her education at WSU. Arashae plans to graduate with her Bachelor's degree in Entrepreneurship and Finance with a minor in dance, and she intends to later earn her degree in Sports Nutrition. Arashae currently teaches at Midwest Dance Mechanix with plans to substitute teach this upcoming school year. Arashae is excited to be a part of the Blue Ace family and athletic programs and cannot wait to share her love for cheer and dance with you all.

Coach Marshall is a Wichita native and alumni of Wichita High School East class of 2011. While in elementary and middle school, Avree began cheering and continued throughout high school. Before transferring to East High in 2009, she attended and cheered at Wichita Heights High. After graduating from East High she continued her education at Southwestern College where she was on the Cheer Team. Avree currently attends Friends University where she is an English Education major. She currently coaches for the Wichita Golden Bulldogs Cheer Team. Avree is excited to return home to the Blue Ace Family and athletic programs and is excited to kick the fall season off and to lead the spirit squad to be the biggest, loudest and best squad in the city.

Wichita High School East is excited to add Coach Harris and Coach Marshall to the Blue Ace Family. They bring both collegiate Dance and Cheer experience to the rich traditions of Wichita's Original High School.

We Fly Together,

Sara Richardson
Principal
