Important Information

Attendance is a vital part of learning and being on time for the day is essential. Any students who enter the building after the 9am bell will receive a tardy slip and this will be recorded on their attendance.

Good news....we will be producing a yearbook this year. It will look a little different then our traditional yearbook. We are having an Isely Yearbook Cover design contest.

Visit the Isely website in the school news section.

From the Desk of Nurse Lindsey

Isely will be holding dental screenings for all in person students on 3/15/2021. GraceMed will be the dental care providers screening all students. The dental screen entails a dental hygienist looking in each student's mouth, counting teeth and looking for any obvious dental carries.

GraceMed will also be offering their expanded care again this year which includes teeth cleanings, sealants, and fluoride treatments. This service is completely free for all students, however, for a student to participate in the expanded care services, parental consent is required. Students brought home the pink consent forms. The consent form must be completed, signed and returned for the student to receive the expanded care services.

If you child is attending Isely via My School Remote and you would like to have your student either have a dental screen or receive the expanded care services, please contact nurse Lindsey at 316-973-8205 and we can arrange a time. on 3/15/2021 for your student to be screened.

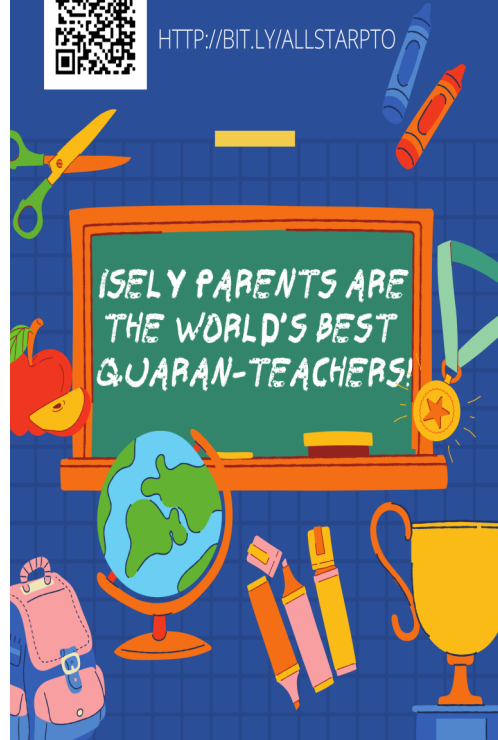

Thanks for doing your best during this time!

We appreciate all you do!
