From the Desk of Nurse Lindsey

1) If your child is not feeling well please contact the office regarding their illness and keep your child at home. The nurse will communicate with your family if any documentation is needed for your child to return to school.

2) Our Immunization Exclusion day is October 15th, 2020. Students who are not up to date on immunizations on this date will not be allowed to come to school. If you are concerned about your child’s immunization compliance, please contact Nurse Lindsey at 316-973-8205

3) If your child needs to take any medication while at school, a medication order form must be completed by student’s physician and signed by parents. Without this documentation, the school will not be allowed to administer any medication. (includes cough drops, eye drops, antibiotics, chap stick, etc.)

In Full Swing...

- The 2020-21 school year is in full swing. The staff wanted to give a shoutout to all of the students and families who have come back to school ready to learn. Whether you are a My School Remote or an Onsite learner we really appreciate the positive attitude that students have returned with.
- Students have done an amazing job adapting to all of the new changes this year. Whether it is masks, new playground and lunchroom procedures or even the exciting changes in the classrooms, the students have done an incredible job meeting all of these things head-on.

Parking Lot Reminders

- Parents should enter off 53rd Street and exit on Woodlawn. This is a **one-way** flow of traffic so stay along the curb. Only buses enter off Woodlawn.
- When dropping off or picking up students, please **pull as far forward in line as possible** and let all students out of the car at one time, exiting/entering on the west side of the vehicle.
- Please remember to **post your pick up sign in your windshield, (see family handbook). Include name and grade of student(s).**
- Copies of the windshield sign and parking lot map are in the Family Handbook. If you need another one please let us know.
