

Bostic Standardized Dress Code

Approved 10/19/18

The school colors of red, white, and blue are incorporated with several options for students and parents. After a great deal of research, we believe that the choice that we have made is both cost-effective and increases convenience for parents in that the items are easily available. If you are concerned about the cost factor, please contact the principal so that options may be discussed. Bostic remains a school for all students. We will ensure that everyone has access to the uniform.
