### Presentation of Distinction Award:

Jamie Cole will be recognized and receive a National Magnet School of Distinction Award on behalf of the school during an awards ceremony held at Magnet Schools of America's 40th National Conference hosted by Dallas Independent School District, April 18-22, 2023.

To receive a national merit award, members of Magnet Schools of America must submit a detailed application that is scored by a panel of educators. These schools are judged and scored on their demonstrated ability to raise student academic achievement, promote racial and socioeconomic diversity, provide integrated curricula and instruction, and create strong family and community partnerships that enhance the school's magnet theme.
