# Attention South High Students!

Have you ever been interested in Aviation? Have you ever heard of the national group called

**Latinas In Aviation?**

Their CEO, Jacqueline Ruiz will be here at South High the afternoon of Tuesday, February 6th, speaking to Interested students during Titan Time. She has written a book titled Latinas in Aviation and if you are interested in hearing her speak, please sign up as soon as possible with **Ms. Acevedo in room E5.**

**Attention all ESOL students! The KELPA test is here again! Do you usually dread speaking into that microphone? Did you like last year where you got to do your test with one of your teachers instead? Well, we are excited to announce that we will be hosting KELPA Speaking Day again this Thursday, February 1, in the library. Once you get a pass delivered to your class, you will need to bring your computer to the library to take your test. And remember, if you pass the KELPA test this time, you never have to take it again! If you have any questions, please email Ms. Hansen or go visit her in S-21. See you on Thursday!**

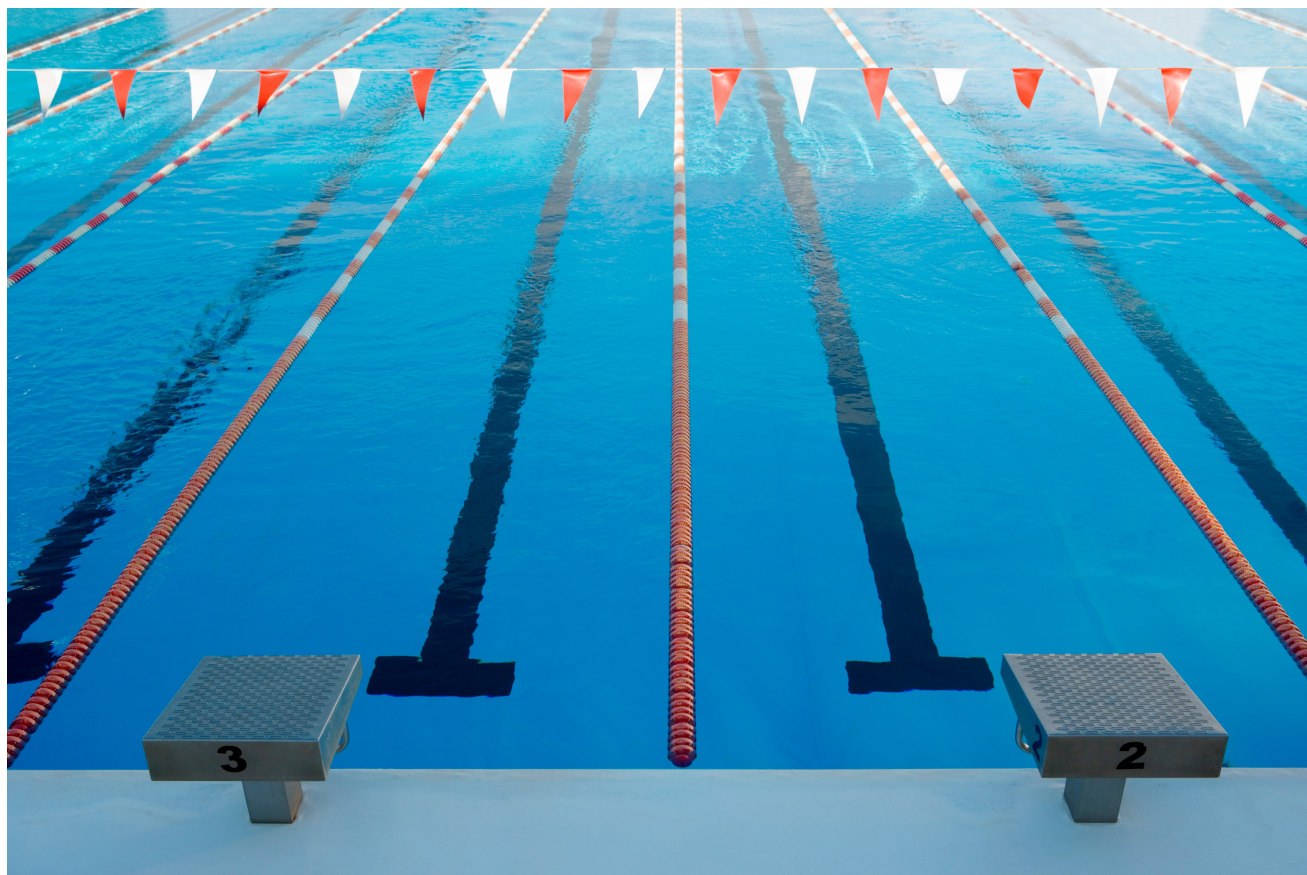

**Are you ready to feel all the feelings?  
This Thursday and Friday, at 7:00pm, in  
the auditorium, Titan Theatre proudly  
presents Thespian directed one-acts!  
Hannah Farmer, Kálon Kirk, and Tyey  
Miles have directed 4 great one-acts  
and scenes for you to see. We hope you  
can come out and support these  
students in their directing debuts!  
Admission is \$4.00 for students and  
senior citizens, and \$5 for adults. We  
hope to see you there!**

**It is that time of year, Spring Sports. If you are interested in joining the South High Girls' Swim Team this year, come to T2 on Thursday February 1st during lunch for our informational meeting. If you can't make it to the meeting, stop by and see Coach Sommers.**

**Seniors – cap and gown orders have been arriving. Please come to B5 office and check with Mrs. Bandy to see if yours is ready to be picked up!**

**The QSA leadership meeting for today (Jan 31) is cancelled, but the whole group will still meet on Friday (Feb 2).**
