Attendance Report

I. Introductions

II. Approval of Minutes (Jesse Milne)

III. Financial Report (Rebecca Snell)

Rebecca: Provided the remaining balance in the bank account. Do we want to do something for the honor roll?

Patresa: Could we use the concessions as a reward for the students

Jeff: Will get his administrative interns to look at the remaining concessions and figure out how to distribute the food.

Mini: Agreed that \$500 would be sufficient and that Bree has information to get the funds to the mom.

Rebecca: Made a motion to donate \$500 to the family

Mini: Seconded the motion to provide funds to the family.

Action Item: Rebecca to work with Mrs. Falvey to get the funds to the parents.

Finished up testing for the PIB students

Working on a master schedule and hope to provide more enrichment opportunities for students over the summer and in the new school year.

Recruiting more parents

Mini: Can we get an opportunity to present to parents about PTSO?

Rebecca: Asked about the PowerPoint we used in the past.

Hoping to experiment with other alternatives to recruit more parents for PTSO
