International Baccalaureate Diploma Program

Internationally recognized as one of the most rigorous college-preparatory curricula available, with over 6,000 programs being offered worldwide in 3,182 schools (www.ibo.org). All IB students at East enroll in the full Diploma Programme and complete four-year programs in English, math, science, social studies, foreign language, and optional courses in music, theater arts, computer studies, or art. They also complete a 4,000 word Extended Essay, participate in numerous community service projects, and complete a Theory of Knowledge course. Students earning the IB Diploma may earn college credit and/or advanced standing. Students are accepted to the IB program through an application process held during the spring semester. The 2019 graduating class included 65 IB Diploma Candidates.
