

Wichita North High School Hall of Fame

The North High Hall Of Fame was established in October 2005 in conjunction with North High's 75th anniversary celebration. Each year a committee to include alumni, teachers past and present and the building principal review nominees and select inductees.

Requirements

- At least 10 years removed from North High
- Be the recipient of significant recognition at the local, state or national level in the area of induction
- Be a pioneer and/or role model in their area of induction
- Be a positive contributor to the community of North High and beyond
