

# Nutrition Services Need to Know Info

## Updates for the 2022-23 School Year

Wichita Public Schools is committed to ensuring that all of our students have access to the nutritious food needed to thrive in the classroom. Changes to USDA policy will impact our ability to offer free lunches automatically to all students. You can help your student(s) access free or reduced-price food by reviewing the information below.

School districts are no longer able to offer *free lunches* to all students.

Wichita Public Schools will continue to provide *free breakfast* to all students.

**All families are encouraged to complete the Online Free and Reduced Application, beginning July 1.**

Complete your online application prior to August 15 to avoid full-price meal charges if you qualify for the free or reduced prices.
