

ELEMENTARY MATH PILOT COMMUNITY & FAMILY EVENT

Wednesday, September 28

4:30 – 6:00 pm

Alvin E. Morris Administrative Center (AMAC)

903 S. Edgemoor

Park in the south parking lot (employee parking lot shared with Curtis Middle School)
Room numbers will be posted in the entry

Currently, several grades and programs from twenty-five USD 259 elementary schools are piloting core math curricula. You are invited to attend in person or virtually to learn about these three programs. Adults and children are welcome!
