Instructions

Making Selections

Use a blue or black ink pen to fill in the oval to the left of the name of your choice. You must darken the oval completely. Do not make any marks outside of the oval. You do not have to vote in every race.

To vote for a person whose name is not printed on the ballot, write the person's name in the blank space and darken the oval to the left.

Do not cross out or erase, or your vote may not count. If you make a mistake or a stray mark, ask for a new ballot.
