

COLLEGE HILL COUGAR NEWS

January 2023

Patterson's Post

It is hard to believe that the 1st semester is in the books. I think it goes faster each year. We've had some successes this year with a movement back to our normal events. In person music programs, in person conferences, and Boogie on the Black top which we haven't had since October 2019. It's been so much fun to see all of you engaged with school events. PTO even had a fundraiser! Let's continue the fun next semester.

The district Good Apple Award ceremony was Monday, December 5th. The categorical classroom team of teachers and paraprofessionals were honored for their dedication to their students. The team consists of: Cassidy Steward, Amanda Perez, Stacey Leighton, Lisa Klock, Paige Rodriguez, and Jared Keller. They are a gift to our community. Congratulations to these amazing people.

Have a safe and fun winter break with your families. We will see you all on January 4th.

We recently started recycling hard-to-recycle trash with TerraCycle! You can drop off non-donatable kid & baby clothes, personal care packaging (like deodorant, soap, toothpaste, floss containers, etc.), and squeezable plastic snack pouches at our recycling hub inside our main doors. By doing so, you'll not only help the planet but also help us fundraise! TerraCycle gives us points that we can redeem for cash for each shipment.
