

Human Growth and Development (HGD) Opt-In Form 2019-20

Student Name: _____ Student ID: _____

Secondary School: _____ Grade: _____

As a parent/guardian, you have the option of whether or not your student receives education about Human Growth and Development and HIV/AIDS in the Wichita Public Schools. The curriculum that your student would receive at each grade level is described in the following table:

Secondary Curriculum The 6th through 12th grade HGD curriculum emphasizes abstinence and making healthy choices. Major topics include physical and emotional changes in puberty, pregnancy, child birth, STD and HIV/AIDS, protection methods, relationships, and sexual assault issues.

The HGD curriculum is taught in specific classes based on USD 259 policy. Not all topics listed above are taught at each grade level.

6th Grade Science in all middle schools

7th Grade Science in all middle schools

8th Grade Science in all middle schools

9th Grade Physical Education Foundations in all high schools

9th – 12th Grade Family and Consumer Science in specific high school classes

If you have any questions about this curriculum, please contact the teacher who will be teaching this curriculum. If further questions arise contact the Human Growth and Development Curriculum Coach at 973-5123 or 973-5162.

Please check one: Your choice is in effect for this school year unless you request a change.

Yes, I want my student to receive instruction on Human Growth and Development and HIV/AIDS.

No, I do not want my student to receive instruction on Human Growth and Development and HIV/AIDS. I understand that my child will work independently on alternative assignments during the Human Growth and Development and HIV/AIDS instruction.

If I've chosen "No" from the above choices and my child does not participate in the Human Growth and Development and HIV/AIDS lessons provided in the Wichita Public School classroom, I accept responsibility for this education of my child.
