

Synergy - SIS Elementary Daily Attendance Totals

ATD204 Daily Attendance Totals V.2018

Follow the TREE to: Synergy SIS > Attendance > Reports > Reports Daily > Individual > ATD204

How to:	Steps:
When should I use this report?	<ul style="list-style-type: none"> This report is a great replacement for ATD201—Daily Attendance Profile Use this to give parents a complete view of students attendance.
Student Info	<ul style="list-style-type: none"> Run for one student or a grade level If left blank the report output will include all students at your building.
Absence Definition	<p>ABSENCE TYPE, ABSENCE REASONS AND REASON FLAGS</p> <ul style="list-style-type: none"> These will limit the report output to the specified Absence Types, Absence Reasons or Reason Flags. This is a required field for this report. You must select at least one option from any of the Absence Definitions.
Show Options	<ul style="list-style-type: none"> Display Total Days Enrolled & Attended - If selected, the report displays a total number of days the students are enrolled in school and the number of possible days for attendance. Display Details - If selected, the report displays details for each attendance reason marked along with the date. Include All Enrolled Schools Data - If selected, the report displays details for each school the student has been enrolled at in the current year. Remove Blank Rows and Excel & CSV Output Files - If selected, rows without a particular absence reason or absence type do not show on report output to avoid repetitive blank rows.
