

Expectations

- College preparatory curriculum.
- Maintain a 3.0 G.P.A. in all coursework.
- Classes held primarily at the high school in the beginning, transitioning to primarily at the university toward the student's senior year.

Times

The Early College Academy will start classes at 7 a.m. and end at 2:10 p.m., with an option of taking an extra class at the end of the day. Students who are accepted into the program, regardless of their neighborhood high school, will become Northwest High School students and will be able to compete in extracurricular activities as Northwest Grizzlies.

2022 Incoming Freshmen

Incoming freshmen for the fall of 2022 from throughout the Wichita Public Schools who are interested in the rigorous program can submit an application. Each incoming class consists of 50 students and 2023 will mark our first round of program graduates.

**Come be a part of an
amazing opportunity!**

Do you have what it takes?

Purpose

Early College Academy, in partnership with Friends University, will allow students to start taking classes for college credit the summer before their sophomore year. When students in the program graduate high school, they will have enough college credits for the equivalent of an associate degree and can start college as a third-year student.

College Credits

Students can potentially earn up to 57 college credit hours upon the completion of this program.

Scholarship Opportunity

Friends University has enhanced the Wichita Public Schools' Early College Academy (ECA) program to include a \$13,000 scholarship per year to Friends for ECA students upon their high school graduation to complete their college undergraduate work.
