

6th—8th Grade

Family Information for Online Learning Access

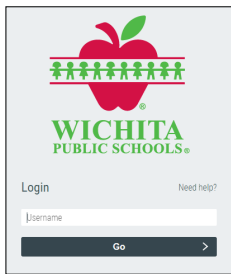

Dear Parent/Guardian,

Wichita Public Schools is committed to the safety of our students. The following information has been compiled should there be a need for students to access resources from home. Please use the information below as a guide to accessing our online curricular resources.

Step 1 — access <https://portal.usd259.net>

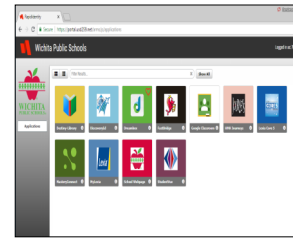

Step 2 — enter login information

Step 3 — choose the desired icon

Your child's login is his/her six digit student ID. If your child does not have this memorized, you can get it from your child's teacher or ParentVUE.

Your child's password is what they chose when they first logged in on a school computer.

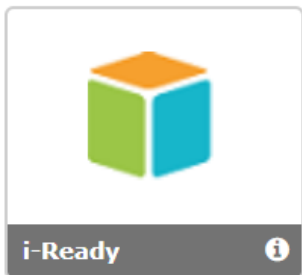

Choose the desired icon to access content!

MATHia is an online math program found in the student's Carnegie Learning portal that supports learning of the grade-level math standards.

Reading Plus is an online reading program that is based on the reading and literacy skills your student is ready to learn.

iReady is an online math program that is based on the math skills your student is ready to learn.

Lexia PowerUP is an online reading program that is based on three levels of reading and literacy skills for student learning.

There is no software to download for these programs! All you need is a high-speed internet connection.

Sincerely,

Wichita Public Schools
