

CONTINUOUS LEARNING OPPORTUNITIES PACKET DISTRIBUTION

As of April 6, PreK – 8th grade packets WILL NOT BE AVAILABLE FOR IN-PERSON PICK-UP.

- Packets will be available online – www.usd259.org/WPSlearn
OR
- Packets will be mailed for families who want to receive packets by mail

Paper packets and online packets are the same. You don't need to opt in for mailed packets if you access and print them at home.

Week 2 packets will be mailed to all PreK – 8th grade families on April 8.

You must respond and tell us you want to receive Weeks 3-8 packets by mail.

Please opt-in using the form at the link below.

You will need to complete the short form for each student in your household if you want to receive the packets by mail. If we don't hear from you, we will not mail Weeks 3-8.

Call 973-4443, or email homework@usd259.net for questions or support.

Use your smart phone camera to access the link through this QR code.

Please note: High schools packets will not be mailed, and teachers will continue to engage high school students because of the specialized conversations about graduation requirements, unique courses and the desire by students to impact grades for future scholarship recognition. High school parents or students may contact their high school administrator or teachers with questions.
