Attendance Days

Students with last names beginning with A-L will attend onsite Monday and Tuesday. Those with last names M-Z will attend onsite on Thursday and Friday.

Health Check

Every student should complete a self-screening questionnaire before coming to school, including taking their temperature. Students attending onsite should not have a temperature higher than 100.4F, feel ill or exhibit any illness symptoms. **If students have symptoms of, have tested positive for, or are awaiting test results for COVID-19, they SHOULD NOT GO to school. Parents should call the student's school to report a COVID-related absence.**

Gear

Don't forget your cloth mask, refillable water bottle, computer/device, and device charger. **Face masks are required for all students**, staff and visitors. Plastic face shields may be worn in addition to, but not in place of, a face mask. Bring in your supplies needed for onsite classes. Be sure to bring your backpack, as lockers will not be used this year. Follow student dress codes.

Arrival

Parents should make sure their students have their mask on before they leave the house. No parents/guardians will be allowed to enter the building. Students who ride the bus will need to wear a mask on the bus. Schools will share bus stop information directly with families.

Meals

Students may bring their lunch, or they may select a grab and go option in the cafeteria at no cost (through the conclusion of the 2020-21 school year). You can continue to order meals for home-learning days using the information available at <https://www.usd259.org/curbsidemeals>.

Hygiene Practices

At school, home and in the community: practice social distancing, always wear your face mask, and wash your hands regularly. When you arrive home, wash hands and immediately wash, or set aside to wash, worn cloth face coverings.

Immunizations

Parents should ensure their student's immunizations and immunization records are up to date. We have already passed the immunization exclusion date, and students who are not in compliance will be excluded according to BOE policy.
