

How parents join a Teams meeting from ParentVue

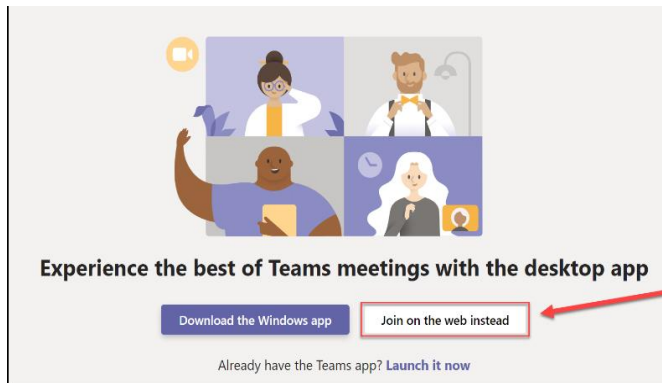

2 Ways:

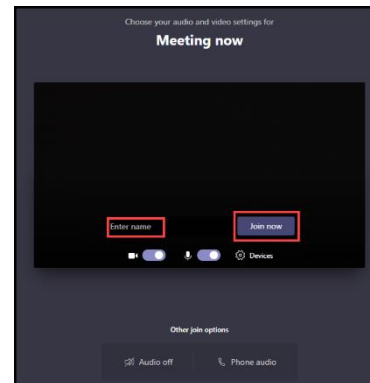

1. In the Message Center -> click on the message to expand the details
2. Click on the Join Microsoft Teams Meeting link (parents only need internet access to join with the link)

3. An internet browser will open with these options.

Parents can use this option.

1. In the Message Center -> click on the message to expand the details
2. Call the number listed in the message and input the Conference ID at the time of the meeting to join
