

- Read the Acceptable Use Policy, and if you agree to the terms, click on **Accept** to continue.
- \*\*You will **not** see this page if you registered a device to wps\_personal in the past and have already agreed to the terms.

The screenshot shows a web page titled "Device Registration" with a blue header. Below the header is a section titled "Acceptable Use Policy" with the subtext "Please read the Acceptable Use Policy". A scrollable text box contains the following text: "Please accept the policy: You are responsible for maintaining the confidentiality of the password and all activities that occur under your username and password. Wichita Public Schools USD259 offers the Service for activities such as the active use of e-mail, instant messaging, browsing the World Wide Web. High volume data transfers, especially sustained high volume data transfers, are not permitted. Trying to access someone else's account, sending unsolicited bulk e-mail, collection of other people's personal data without their knowledge and interference with other network users are". Below the text box are two buttons: a blue "Accept" button and a grey "Decline" button.

- Once logged in you will receive the following message. Click **Continue** to proceed with network access.

The screenshot shows a web page titled "Device Registration" with a blue header. Below the header is a section titled "Welcome Message" with the text: "Click **Continue** to connect to the network. You're very close to gaining network access." Below the text is a single blue "Continue" button.

- Your browser will now re-direct you to the Securly website which contains the district filter certificate.
- If you are not automatically re-directed please visit <https://securly.com/ssl>

**\*\*\*Important.** This website contains a video with specific instructions for downloading and installing the necessary certificate. The video instructions are tailored for your specific device whether Android or iOS.
