

Enrollment Timeline

December to Mid-March: Pre-enrollment at high schools begins.

- ✦ Great time for students to apply who express an interest in concurrent enrollment. The application is free and only needs to be completed once.

1st week February: Fall Block schedules with basic descriptions will be emailed to high schools.

- ✦ Begin setting dates for testing and enrollment with schools

Mid-February: High Schools meet with current block students to verify space in schedule.

First Monday in March: Enrollment submission begins via Dropbox/Google Drive

- ✦ High School Advisors will follow up with counselors and students about any missing requirements. *Enrollment at WSU Tech doesn't officially open until March 29th which is when we will start generating schedules.*

3rd week of April: Enrollment finalized.

April 15th: Schedules returned to high schools for review.

1st week of May: Mandatory Block Meetings by campus and program.

- ✦ Includes information such as estimated book costs and program expectations.

July 15th: Final book costs released and students contacted about information.

Week before classes start: A welcome text, email, and phone call to students reminding them when their classes begin.

Last week September: Tentative Spring Block schedules with basic descriptions will be emailed to high schools.

- ✦ Begin setting dates for testing and enrollment with your schools

First Monday of October: Enrollment submission begins

- ✦ Enrollment for returning block students occurs in class.
- ✦ High School Advisors will follow up with counselors and students about any missing requirements.

Prior to Thanksgiving Break: Enrollment finalized and schedules returned to high schools for review.

1st week December: Mandatory Block Meetings by campus and program.

- ✦ Includes information such as book costs and program expectations.

Week before classes start: A welcome text, email, and phone call to students reminding them when their classes begin.
