Sedgwick County Zoo is hiring for the 2023 season!

The SSA Group at Sedgwick County Zoo is looking for kitchen and cashiering staff for our spring/summer season!

Our food service team members interact one on one with our guests providing that extra touch to make their zoo visit memorable.

We are open 7 days a week. Weekends/Holidays may be required as we are a cultural attraction and those are often our busiest days!

We have flexible scheduling, often working with school schedules and second jobs as much as we are able.

Contact us to schedule an interview!
