

Dear Allison Families,

This year, Allison PTA is shifting from the typical catalog fundraiser we have done in the past to a more direct fundraising approach. The thought is that we could cut out the middleman and still raise enough money for our school to support the teachers and programs we so value. This change makes fundraising much safer for your students by not requiring them to go door to door. Feel free to share the QR code (above) with friends and family members. Just be sure they include your child's name with their donation.

In the past, PTA has used the fundraiser money to pay for teacher requests for classroom supplies, field trip buses, special adaptive equipment, scholarships to attend field trips, and supplies for our nurse. The money raised by PTA also provides rewards for the students for a job well done in academics, teacher luncheons during parent/teacher conferences, the holiday luncheon, and teacher appreciation week gifts, to name some of the many ways we use this fundraiser to give back to the school.

If each student would collect just \$25 in donations, we would have the funds we need to fulfill ALL the school and teacher requests for this year without having to do a steady stream of fundraising throughout the school year. PTA-provided incentives for donations are listed below:

AMOUNT RAISED	PRIZE AWARDED
TIER 1 \$25	★ dress down day (in November)
TIER 2 \$50	★ dress down day (in November) ★ dress down day (in April)
