

Parents and Guardians,

The purpose of this communication is to inform you about a new academic score reporting website for parents called the **KITE Parent Portal**.

The Portal is managed by Kansas University's Achievement & Assessment Institute; the same department that provides our state assessments.

In this portal, you will have access to score reports for your student(s) that took Math, Reading, Science, or English Language Proficiency tests during the 2021-22 school year.

We invite you to preview the parent guide at the following link:

https://ksassessments.org/sites/default/files/documents/Kite/Parent_Portal_User_Guide.pdf

Or a helpful video about the KITE Parent Portal: <https://vimeo.com/498441421>

Parent Login Site: <https://parentportal.kiteaai.org/>

Additional resources and translated guides can be found here: <https://ksassessments.org/for-families>

WPS parents and guardians will be able to access their student's KAP scores beginning on **Tuesday, May 17**.

All KAP student score reports will be available with **the exception of 10th Grade Mathematics**. Student score reports for 10th grade math will not be available until late fall, after standard setting this summer.
