

P1360 STUDENT SUPERVISION

BOARD POLICY:

The total school staff is responsible for the supervision of students during the school day and for a reasonable period of time before and after.

Administrative Implemental Procedures:

1. Every student must be assigned to a certificated staff member for instructional and/or supervisory purposes during the entire time that classes are in session.
2. Certificated personnel shall be responsible for proper supervision of students in the building and on the school site before and after the school day and during the lunch hour. Certificated personnel may be assisted by other persons in this regard.
3. Arrival and departure time of students should be determined after proper consideration of safety, transportation, and other local conditions.
4. Every staff member must share the responsibility of supervising students during regular passing periods, while students are moving to and from restrooms and assemblies, before and after the school day, and so forth.
5. Principals may make special assignments during any critical time.

Administrative Responsibility: Elementary and Secondary Education Offices
