

P1410 FUNDRAISING ACTIVITIES

BOARD POLICY:

Limited fundraising activities that are consistent with the aims and objectives of the educational program of the school system may be conducted in the schools or online.

All fundraising activities conducted in a building or online must be authorized by the principal and must be in accordance with this Board policy. Student participation shall be limited to school sponsored fundraising activities.

Specific procedures, guidelines, and practices related to fund raising activities can be found in the *Fundraising and Crowdfunding Guide*.

Administrative Responsibility: Financial Services
