P2119 DISTRIBUTION OF POLITICAL MATERIALS

BOARD POLICY:

Political materials, including partisan information, may be distributed to adult employees within the school building, on the school site, and in teachers' mail boxes. The principal is responsible for assuring equal treatment of all candidates.

Administrative Implemental Procedures:

1. The principal must be advised of political material being distributed.

2. The principal may deny permission to distribute material which may substantially disrupt the school.

3. The principal will determine that distribution procedures will not disturb the orderly routine of the school nor produce a major litter problem.

4. The principal must determine the source of the political material and may deny distribution privileges to anonymous or subversive efforts.

5. Political material may not be posted on bulletin boards (except as provided for in employment agreements) or any school facility.

6. Teachers may not use students for general distribution of political materials to parents or to other students.
