  - 4) The required unit of credit in Physical Education may be waived upon a statement by a licensed physician that a student is mentally or physically incapable of participating in a regular or modified Physical Education program or when the requirement is contrary to the religious teachings of the student. A written statement, signed by a lawful custodian of the student, shall be filed with the proper authorities of the school.
- 2. Options available for meeting established requirements for students with extenuating circumstances:
  - a. Students may graduate from high schools with the minimum number of required units of credit listed by the Kansas State Department of Education and/or the minimum number of required units approved by the Board of Education.
    - 1) Students who attend a special school or an alternative school or program that is designed to meet individual needs and developed with administrative approval may

graduate based on the Kansas State Department of Education graduation requirements.

- 2) Students participating in the adult learners program whose four and five year cohort group have graduated may graduate based on the Kansas State Department of Education graduation requirements.
  - 3) Students enrolled in a comprehensive high school who have extenuating circumstances may apply to their building administration for an individualized graduation plan adhering to the Kansas State Department of Education graduation requirements.
- b. Students with disabilities will meet the graduation requirements. Adjustments of credit, based on fulfillment of an Individual Educational Program (IEP), as per the transition plan course of study, may be made at the discretion of the principal with advice from the IEP team, team leader, program coordinator or a Special Education Director (See BOE Policy 6334 – Graduation Requirements for Students with Disabilities).
  - c. The Superintendent and/or Assistant Superintendent of Secondary Schools must approve any option not listed in this AIP 2.
3. Diplomas
- a. To receive a diploma from a specific attendance center, a student must have been officially enrolled at that school. A *Wichita High School* diploma may be issued by Student Records and Enrollment Services for eligible students meeting Unified School District 259 graduation requirements.
  - b. Diplomas will generally be issued at the graduation ceremony to seniors who participate. Exceptions may occur as follows:
    - (1) Early Graduation: Senior students who meet all graduation requirements may request that the diploma be issued at midterm of their senior year (seven regular semester minimum) according to the prescribed plan of the school.
    - (2) Timely Graduation: Students who are unable or choose not to participate in graduation exercises may be issued the diploma by mail or in person at the school office.
    - (3) Late Graduation: Students may request the diploma at any time after the regular graduation date as soon as graduation requirements have been met.
