

Cyber Savvy

- 🖥️ Never “friend” a friend in cyberspace that you don’t know on earth.
- 🖥️ Never give out your password.
- 🖥️ Remember when you are talking in cyberspace, you are talking to your friends and their friends and their friends and their friends
- 🖥️ Never send inappropriate messages or pictures.
- 🖥️ Never give out personal information about yourself or your family.
- 🖥️ When posting pictures, ask yourself, “Could I show this to *ANYone?*”
- 🖥️ Don’t say anything in cyberspace that you wouldn’t say on earth, and if you would say it on earth, does it meet the following criteria:
 - ▶ Is it true?
 - ▶ Is it kind?
 - ▶ Is it necessary?
- 🖥️ Don’t take words or pictures from someone else’s website or social page without his or her permission.
- 🖥️ Don’t respond to messages that are mean.
- 🖥️ Block/unfriend senders who are inappropriate or unkind.
- 🖥️ Remember that what you put in print may not come off the same way as if you were speaking.
