

Wichita Public Schools
Division of Student Support Services
DEPARTMENT OF HEALTH SERVICES
PARENT GUIDELINES FOR FIRST TIME STUDENTS
ENTERING WICHITA SCHOOLS

Please provide the following forms at enrollment with your child's legal name on the heading of each form.

1. Immunization Record

A valid Immunization Record is required by law.

- ∞ Immunizations Records must include the date by month-day-year for each vaccine
- ∞ Immunization requirements change from year to year. Find information on current requirements by visiting www.usd259.org or www.kdheks.gov

2. Health Examination Report

Consult your health care provider to obtain a health examination, have them complete the examination report, and return this information to the school nurse.

3. Dental Care Card

Visit your dentist regularly for good oral health and return the Dental Care Card annually.

Contact the school nurse

- ∞ if your child has any unusual health conditions or health history
- ∞ if your child will require medication at school
- ∞ for further information or assistance
