Dear Riverside Leadership Magnet Families,

Wow! The year is flying by and it has been truly exciting to witness the learning and growth that takes place at our school every single day. Thank you for supporting your child's learning by attending their conference last week. Students did a fabulous job sharing goals and reflecting on their progress thus far this year.

During the coming weeks, we have many school events and activities happening. Please take a look at the attached calendar to make sure you are up to date on all of the events that we have coming up this month.

With the changing weather that will start happening, encourage your child to 'Be Proactive' and plan ahead for the day's weather. Students in all grades can start thinking about the projected weather forecast and plan appropriate clothing choices.

Are you ready to ROCK THROUGH THE AGES? Plan to attend Boogie on the Blacktop on October 11th. We will have food trucks serving meals and family activities happening in the gym from 4:30- 5:45. Students will perform a dance to songs from recent decades starting at 6:00. Although not required, students are permitted to wear outfits or costumes representative of their grade level's assigned decade (Kindergarten—50s, First Grade—60s, Second Grade—70s, Third Grade—80s, Fourth Grade 90s, and Fifth Grade 2000s.). We hope to see you all at this fun family event.

Leading, Teaching, and Learning Together,
Mrs. Renner
