OTUS PRIVACY AGREEMENT

52%

2019-2020

Otus Privacy Agreement: **Zelda Rausch**

OTUS USER AGREEMENT

Otus is a means for a parent/guardian of a Wichita Public Schools student to access education records of their student through a secured Internet site. Wichita Public Schools requires that all parents/guardians and any others to whom it grants access to Otus must agree to comply with the terms and conditions of this Agreement.

A. Access to Otus
Access to Otus is a free service offered to current parents/guardians of Wichita Public Schools students. Access to student information through Otus is a privilege, not a right. A parent/guardian will be authorized to activate an Otus account only after their student has been enrolled in the Wichita Public Schools. Parents who have joint legal custody of their student but who live apart may each activate a separate Otus account. A non-custodial parent may activate a separate Otus account. Once a student withdraws or graduates, access to that student's education records will be inactivated. All Otus users must practice proper and ethical use of the service. Otus access requires a computer or other device with Internet service. Otus is designed to be user friendly. However, the Wichita Public Schools cannot promise optimal access for all users and, due to limited resources, cannot offer personal troubleshooting service if there are difficulties connecting to or using Otus.

B. Responsibility for Information Accuracy
Information accuracy is the joint responsibility of schools and those using Otus. The Wichita Public Schools will make every attempt to ensure information is accurate and complete. Parents/guardians should check their student's personal and contact information periodically to confirm that everything remains accurate. If changes are needed, please notify the school that the student attends.

C. PRIVACY
The Wichita Public Schools takes the privacy and confidentiality of students and families seriously. Student records are subject to the protection of the Federal Educational Rights and Privacy Act and the State of Kansas Student Data Privacy Act. The Wichita Public Schools have implemented numerous physical and technological safeguards to protect parent and student data. If you suspect that your privacy has been violated, please contact your student's school.

You must click I agree to continue.

D. Use of Otus

I acknowledge that as a condition of using Otus, I will adhere to the following requirements:

- I have full responsibility for my student's Otus login information, including my student's code.
- If I become aware that anyone has obtained unauthorized access to my student's account, I will notify the student's school immediately.
- I will not attempt to harm or destroy the data or networks of the Wichita Public Schools.
- I will not improperly attempt to access the information or account assigned to another Otus user.
- I will not use Otus for any illegal activity, including violation of federal and state data privacy laws.
- If I identify a security problem within Otus, I will notify my student's school immediately, without demonstrating the problem to anyone else.
- I will not set an electronic device to automatically log in to the Otus site.
- I understand that users identified as a security risk will be denied access to the site.
- I understand that Wichita Public Schools will not be responsible for actions taken by myself or other third party Otus users that compromise my student's information.
- I understand that Wichita Public Schools reserves the right to terminate any Otus account without notice.
- I consent to electronic monitoring of Otus activity and understand that this is a private network used as an educational tool by Wichita Public Schools.

I acknowledge and understand that I will comply with the terms and conditions in this Agreement.

TEXTBOOK POLICY

58%

2019-2020

Textbook Policy: **Zelda Rausch**

Textbooks and other instructional materials are the property of USD 259, Wichita Public Schools. They are provided for the use of students who are enrolled in district schools and centers with the expectation they will be returned in the condition they were issued less reasonable wear and tear. Students who lose or damage instructional materials will be charged the replacement cost of the lost or damaged item(s).

Each student shall return all textbooks issued to the student at the time they withdraw from the school, at the end of the first semester for all classes that do not continue, or at the end of the school year. Students shall write their names inside in the appropriate place, and properly use and care for the textbooks. Each student or their parent or legal guardian shall be responsible for textbooks not returned or damaged by the students. Any student failing to return textbooks or who fails to pay for lost or damaged items may as a result have holds placed on progress reports, report cards and diplomas, be excluded from participation in graduation ceremonies, extracurricular activities, sports and special programs/events. All fines must be paid by no later than the last instructional day of the school year.

Students are required to pay the replacement cost for damaged textbooks and instructional materials. The costs of books and materials are available in the district's Textbook Manager System.

I have read the above policy and acknowledged my acceptance.
