

Good Morning Pioneers. Today is Wednesday, May 15, Please rise and join us in the Pledge of Allegiance.

Attn all other Learning Center students! If you do not finish your learning center classes, you will have to take them over to earn your credit. We will have summer learning center, if you need more time. Please see your counselor or Mrs. Stauffer in L-4 for more info

Attention Students: Sadly, a few students continue to create vandalism in the student restrooms at West. Until the end of the year, students may use the Restrooms in the D Hall only. Additional staff will be monitoring our hallways and RR areas the remainder of the year. If you see vandalism and report it, you are eligible for a crime stoppers reward. Remember, if you see something, say something.

Students: At the end of year, as is our common practice for the past 7 years, you will see additional WPD officers in and around our school. As part of our effort to keep West High safe....we hire extra WPD officers at the end of the year to deter other students from visiting our campus and to ensure we end the year smoothly so all students can focus on finals. Remember if you see something, say something.

Attention Students, All library books are due. Please return all library materials this week. See Mr. Riddle to take care of any fines or obligations you may have.
