Extended Learning Opportunity – West High’s Credit Recovery Program

West High School’s Extended Learning Opportunity Credit Recovery Program (ELO) will begin on May 26.

**ELO dates May 26-29, June 1-4,
June 8&9 online with Google
Classroom**

West High School’s Extended Learning Opportunity Credit Recovery Program is open to current 9th-11th grade students who meet criteria for participation. (To be eligible, the student must have failed a core course with a grade in the 50-59% range. Students who do not meet this criterion are encouraged to enroll in Learning Center or Summer School.)

This program is FREE to all students.

The purpose of this program is to allow students to raise a once failing grade to a passing grade of a D. Students may work on more than one course. Students enrolled in ELO who need help need to be online from 8-11:30. Inappropriate behavior will not be tolerated. Students behaving inappropriately will be removed from the program. This is a great opportunity for a 2nd chance to pass.

Unlike summer school this program is flexible enough to not only allow students the opportunity to complete their missing work but also gives them the freedom to stop attending the program as soon as they have raised their failing grade to passing. This program allows student-athletes the opportunity to regain eligibility because their make-up grades will be posted to their 2nd semester transcript.
