## Enders Leaders Pave the Way!

November 2023

Hello Enders Families!

November is upon us! This is the month for being thankful and most importantly, sharing our gratitude with others. Our Enders Family wants to share our gratitude for all of you. It takes a village to educate and nurture our future leaders and we are so thankful to be a part of your village. We look forward to another wonderful month of learning and growing together!

Yours in Learning,

Audrey Miller

## Supporting *The Leader in Me* Initiative

We are often asked how parents can support their school's leadership initiative. Each time we are asked we give the same answer "Use the 7 Habits language at home."

As the school year unfolds, the children are learning the language and meaning of the 7 Habits. By hearing the same language at home and at school, you send the children a strong message of what you believe is important and that we are all on the same team—the team that wants to help succeed. When parents and schools support one another, the sky is the limit!

Below is a summary of each of the habits:

Habit 1: Be Proactive (You're in Charge)

Habit 2: Begin With the End in Mind (Have a Plan)

Habit 3: Put First Things First (Work First, Then Play)

Habit 4: Think Win-Win (Everyone Can Win)

Habit 5: Seek First to Understand, Then to Be Understood ( Listen Before You Talk)

Habit 6: Synergize (Together Is Better)

Habit 7: Sharpen the Saw (Balance Feels Best)

### Habit 3 — Put First Things First

#### Work First, Then Play

I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan. I am disciplined and organized.

### HOME PROJECT!

This month we are focusing on our "Big Rocks". These can be short term or long term goals that are important.

### Steps to Planning at Home

1. Identify your families Big Rocks.
2. Block out time for big rock activities.
3. Schedule everything else.

## Cover Coughs and Sneezes

Stop the spread of germs that can make you and others sick!

Cover your mouth and nose with a **tissue** when you sneeze or cough.

If you don't have a tissue, use your **elbow**.

Wash hands often, **especially** after coughing or sneezing.

## ***ARRIVAL & DISMISSAL PROCEDURES***

## The Parent Pick-up Lane

If you are picking up your student, please remain in your car and follow the pick-up lane (see map) to ensure a safe and quick arrival and departure. Staff will be out front to help escort your child to you vehicle when you approach one of the stations. Please listen to staff and follow their directives.

**THERE IS NO PARKING ALONG OSAGE OR ALONG 29TH STREET. IF YOU PARK HERE YOU MAY BE ASKED TO MOVE YOUR VEHICLE.**

Please refrain from parking in our neighbor's parking lots or driveways out of respect for those that live there.

## Student Walkers

Crossing guards will be at the corners of Osage and 29<sup>th</sup> before the dismissal bell to assist with crossing the intersection safely. If you are picking up and walking with your student, please attempt to use the crosswalks that the city has in place in order to keep our parent pick-up lane moving and to ensure your child learns safe ways of crossing the street. You may pick up your child at the front of the building and a staff member will release them to you.

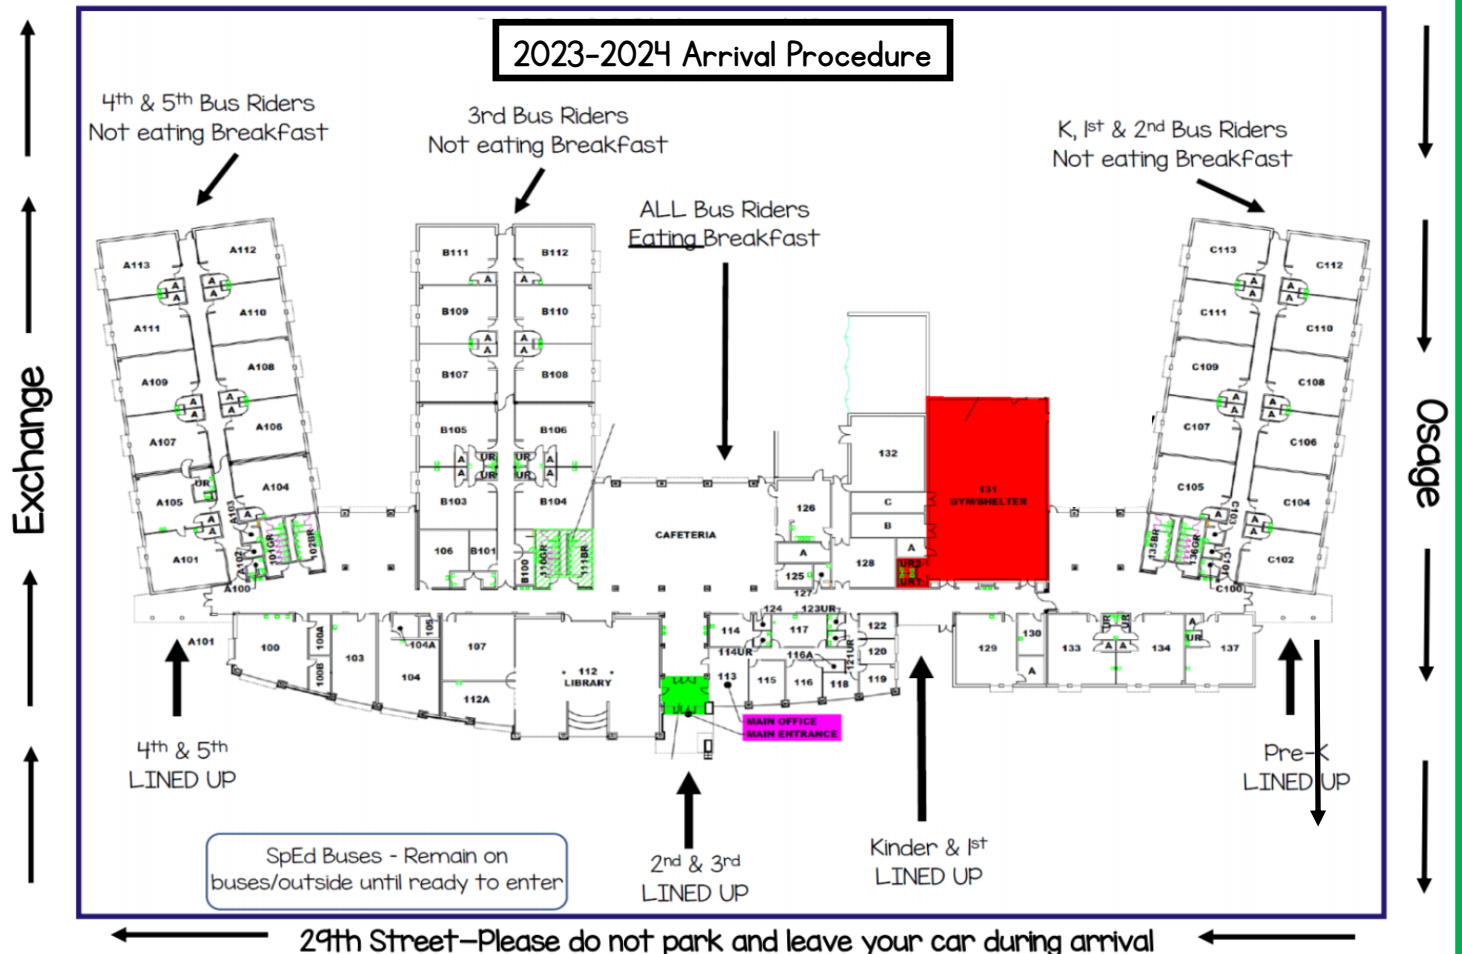

## ~~Bike Riders~~

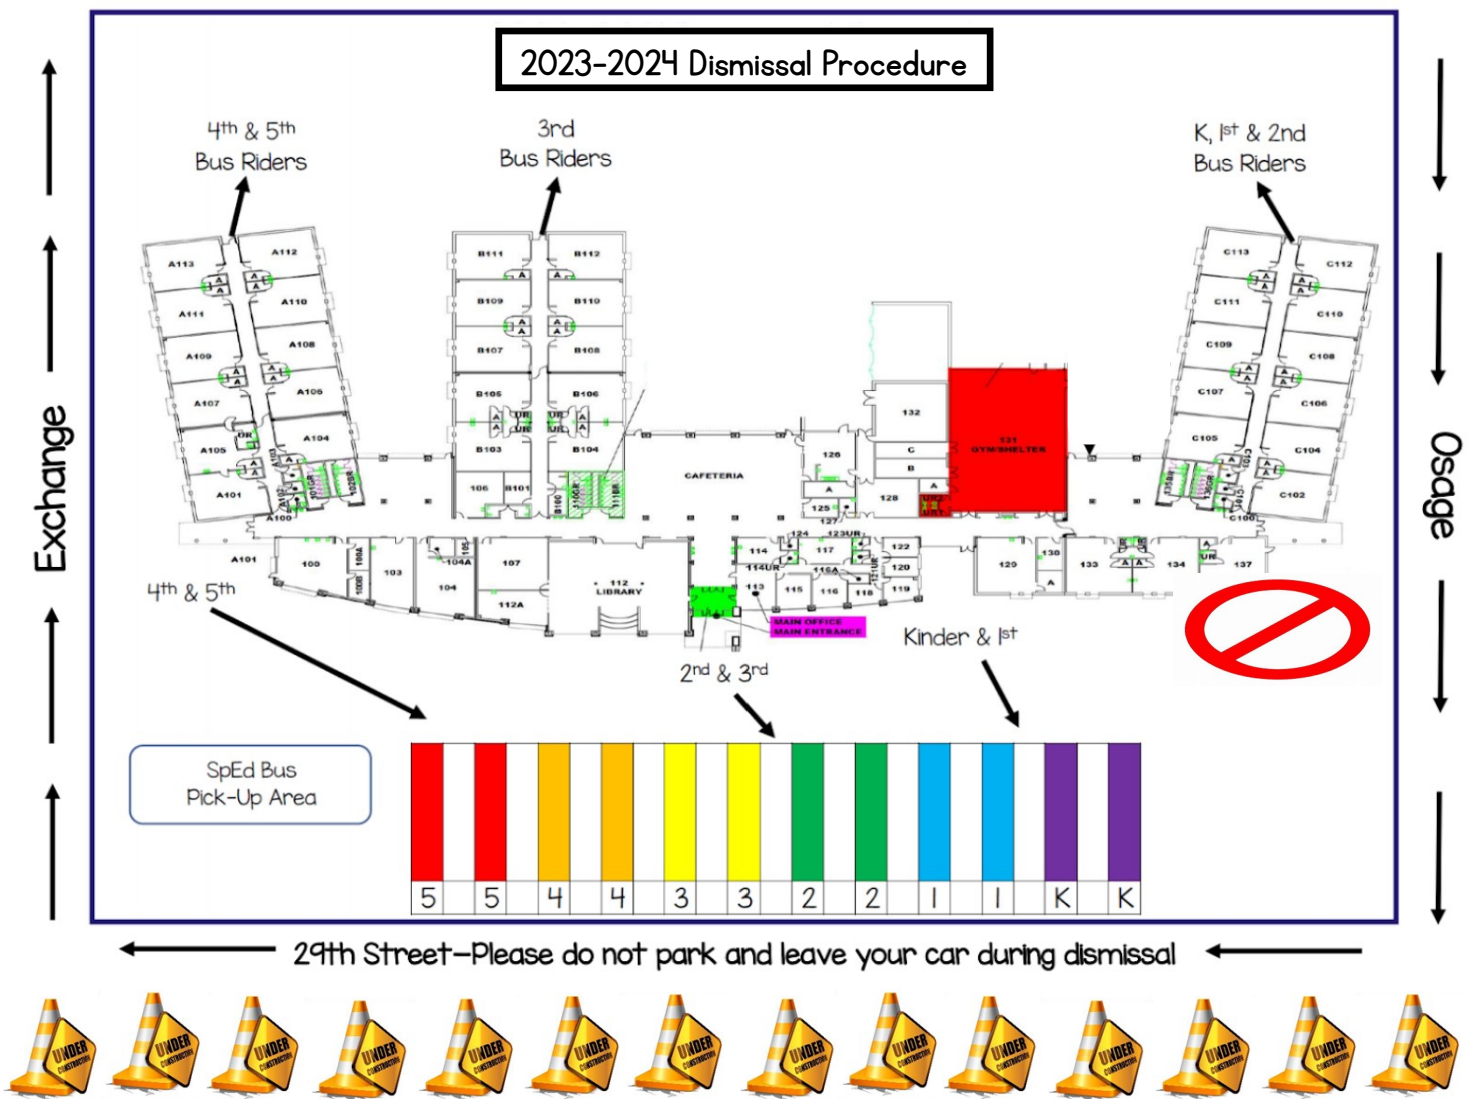

If your student is riding to and from school, we do have a bike rack available for students to secure their bike with. The school is not responsible for lost and/or stolen property.

## EARLY DISMISSAL

Students will be released to only Emergency Contacts who are listed on ParentVue. We encourage parents to attempt to make appointments on days school is not in session or before or after school when possible. the parent must check out the child through the office. The student will be called by office personnel to the office to meet their parent.

## PICK-UP PROCEDURES—Important Information:

Last year, our team reevaluated our Pick-Up Procedures in order to address safety concerns. These procedures went into effect last year and after experiencing success and fewer incidents, will be carried over.

West Parking Lot entrance will be CLOSED OFF beginning at 4:00 and will not reopen until after pick-up at 4:20. It is a right turn only out of the West Lot for arriving SpEd buses. Please remain in your vehicles and follow our pick-up line to pick up your children. As always NO PARKING on Osage or 29th street.

We appreciate your support and I know our adults will be good examples of patience and kindness as we implement our procedures.
