Pretty neat. I had a fun time going on up there. At least I made it.
 Pretty neat, even though I didn't think that the stairs would ever. It was great. I felt I was a part of the tradition of North.

This was a lot of fun. I even managed to overcome my fear of heights going up those flights. I thought this is a great tradition. What a climb! I hope Julie H. can make it. I love the of 1985 - especially Dad. I'm glad we're doing this - be a part of the tradition: love of North. It was fun going up those stairs. It seemed as if we were going to climb to heaven!

It was great! At least we know we've left our mark here somehow and that we won't be forgotten, and we can come back & reminisce. Well, I loved it.

It was terrific, it made you feel as if you are really part of North High. Fantastic! Keep up the great tradition. Also, give us MORE TIME!!!

A great honor to finally visit the tower.

Going up was really nostalgic - a great way to end my high school years at North - the best! I thought it was really neat. Looking at all the names from years ago! North #2. I liked the messages from past years! Lots of familiar names!

IT WAS GREAT BUT NOT ENOUGH TIME. It was a neat experience. A great part of tradition and a wonderful way to end it. It was a great experience. I really enjoyed finally seeing the tower. It was a great experience. The tower was a great privilege to be there.

It was kinda scary at first but it was fun.

It was fun. I like seeing people's names that I knew in the past classes.

It was really interesting to see how far back the names went. It was pretty neat. How should we let us use spray cans!!!

It was neat! Just don't paint over anything.

It was a great honor! I had been looking forward to it all. I think we should be able to go up there longer, but at least that it was pretty neat. Pretty neat up there. I enjoyed it.

a great experience to see the other signatures and being a part of it.

It's a great way to end the year.

It was a blast, I loved it. Should have done before our senior year. It was great. Such an experience. I'd see my husband's name! Great way to end that year.

I'll enjoy this year and I've been waiting for this moment.

Awesome sight! What a way for the Seniors to keep North High's memory.
