

# PARENTS

---

Follow the directions, below, for any student participating in school sports. A completed physical form containing all signatures (**Doctor's, Parent's, Student's**) must be submitted, and insurance information provided before a student can participate.

Do not bring your physical form to the school. Instead, you will upload it to the RankOneSport website. School administration will accept or decline your electronic documents. You will be contacted by the school if your documents are declined.

## RANK ONE SPORT

### Online Registration

All athletes will need to complete the online registration before they can participate in a sport. ([rankonesport.com](http://rankonesport.com))

When you register through Rank One, the system keeps track of your information in your Rank One profile. You enter your information only once for each family member for multiple uses and multiple programs. You can complete the registration using a computer or your phone. Please use the updated KSHSAA physical form to upload to the site.
