I understand that when I am using the computers, networks, the Internet, other online services or any other telecommunication environment, I must adhere to all rules of courtesy, etiquette, and laws regarding access and copying of information as prescribed by either federal, state, or local law. I must also accept and abide with P1232 - Acceptable Use of Computers, Networks, Internet, Electronic Mail, and Other Online Services - Students.

My signature below, and that of my parent(s), (parental signature needed if pupil is under the age of 18), means that I agree to follow the guidelines of P1232. **PARENT OR GUARDIAN:**

If the applicant is under the age of 18, a parent or guardian must also read and sign this agreement. We ask you to review the policy with your child and to sign the consent form. If you have any questions about the policy or network curriculum activities, please call the school for clarification.

Since there are multiple computers for pupil access, then as the parent/guardian of: \_\_\_\_\_, I understand that the teaching staff of USD 259 cannot monitor all of the information my child is accessing or downloading while in the classroom/library nor while my child is away from the school. Both my child and I understand that either the accessing of or saving of inappropriate materials, such as pornography, will not be tolerated. Accessing such material will result in loss of the privilege of using the district network and may result in academic penalties, including the risk of suspension or expulsion from USD 259. In order to ensure smooth system operations and to assure compliance with laws and policies, the System Administrator(s) has the authority to monitor all accounts including my child's accounts. (See P1232 - Acceptable Use of Computers, Networks, Internet, Electronic Mail, and Other Online Services - Students.)

As the parent or guardian of this student, I have read P1232 - Acceptable Use of Computers, Networks, Internet, Electronic Mail, and Other Online Services - Students. I hereby give my permission for my child to use the Internet through classroom/library curriculum projects and hereby as parent or guardian of my child waive any right to privacy my child may have as to his/her use of the Internet and electronic mail. On behalf of my child I consent to the access and disclosure of my child's use of the Internet and electronic mail by authorized USD 259 employees.
