

P4055 EMPLOYEE ORGANIZATIONS

BOARD POLICY:

Each employee has a right to belong to, and participate in, an employee organization of his/her choice. The ultimate judgment concerning membership and participation is the prerogative of the individual employee.

Administrative Implemental Procedures:

1. Employees shall neither be encouraged nor discouraged relative to holding membership and/or participating in employee organizations.
2. The school system shall take no reprisals against any employee for participating or not participating in legitimate activities of such employee organizations.
3. All employees are encouraged to participate in those activities of employee organizations which contribute to the competency of the individual.
4. Classified employees will be included on building committees and entitled to vote.

Administrative Responsibility: Human Resources
