

P6420 RELATIONSHIP BETWEEN TAX SUPPORTED CULTURAL AND SCIENTIFIC INSTITUTIONS AND USD 259

BOARD POLICY:

Classes are encouraged to utilize community cultural and scientific institutions which contribute significantly to the educational enrichment of pupils. USD 259 prefers the utilization of tax supported facilities that do not charge fees for student groups pursuing educational purposes.

Administrative Implemental Procedures:

1. No direct monetary grants to cultural or scientific institutions for educational services or maintenance support will be provided by USD 259, without Board approval.
2. In-kind support of cultural or scientific institutions may be provided by the school district to offset admission charges for student groups.

Administrative Responsibility: Superintendent
