Prepare For College and Career

**EVERY STUDENT FUTURE READY**

- Rigorous Classrooms
- High Expectations
- Student Accountability and Ownership of Their Learning
- Best Educational Practices
- Note-Taking
- Inquiry-Based Learning
- College and Career Exposure

AVID is a proven system that increases rigor within our classrooms and helps to foster a culture of lifelong learners. It provides ALL students with tools and strategies that will prepare them to be college or career ready!" - Dr. Alicia L. Thompson

Superintendent, Wichita Public Schools

What is AVID?

AVID, Advancement Via Individual Determination, is a schoolwide instructional system for students in kindergarten through 12th grade.

- The AVID College Readiness System is designed to increase the number of students who enroll and succeed in college and career.
- The schoolwide system creates or enhances a college-going culture at the school to meet the needs of all students.
- For more than 35 years, this simple formula has worked: Raise expectations of students and, with the AVID support system, they will rise to the challenge.

AVID Schoolwide (K-12)

AVID Schoolwide transforms the instruction, systems, leadership, and culture of a school, ensuring college and career readiness for all students. It is designed as an embedded, sequential academic skills resource and intended for non-elective, multi-subject, multi-ability level classrooms.

AVID Elementary

A foundational component for elementary schools where teachers prepare students for transition to middle school so they are ready for rigorous coursework and are able to think critically, solve problems, and work in teams.

AVID Secondary Elective

The core of AVID at the middle and high school, where students who are enrolled in a school’s most rigorous classes, such as honors and Advanced Placement® (AP®), receive support. The goal of AVID at the secondary level is to ensure college readiness for all AVID Elective students and improved academic performance for all students based on increased opportunities.

AVID’s mission is to close the achievement gap by preparing all students for college readiness and success in a global society.
