Parent or Guardian:

The 2023 Robinson Rams Girls Volleyball season is fast approaching. Your daughter has expressed an interest in playing very competitive middle school volleyball. Robinson's volleyball program has an emphasis on fundamental skills, responsibility, teamwork, sportsmanship, and having fun.

To be eligible to tryout, all girls will need to meet the following requirements:

- Physical uploaded into RANK-ONE program (physical must have been completed by after May 1st, 2023). Almost all the forms you will need can now be signed electronically. For more information on where and how to upload the physical and sign off on forms visit the following website <https://www.usd259.org/robinson/athletics>. Please use the most current [physical form](#)
- Earned a GPA of 2.25 or higher in the spring semester of 2023
- Positive behavior and attitude both on the court and in school
- C or better in current classes
- Permission slip turned in to Coach Howk by **Friday, August 25, 2023**.

Tryouts will begin on **Monday, August 28th** from **3:20 to 5:00pm**. Cuts will be made each day. All participants will need to be picked up by 5:15pm. Tryouts are closed to all spectators. The team will consist of a total of 12-13 girls, competition will be tough. Go to volleyball camps this summer to gain knowledge and experience. Team members must have a solid overhead serve, general knowledge of volleyball rules and rotations, above average skills in forearm passing, setting and spiking. Being part of the team means dedication, determination and commitment!

Please sign the permission slip below if your daughter may try-out for the team. I look forward to another great season.
